OPEN HOUSE AT TELSTAR ON WEDNESDAY, OCT. 25

In observance of American Education Week S. A. D. 44 citizens are invited to an "open house" at Telstar Regional High School next Wednesday, Oct. 25. The program will encompass the entire school day from 8 a. m. to 2:20 p. m.

Visitors to the school will be able to see the school facilities and view a demonstration of ceramics and other projects in the art department.

At times during the day visitors to the "open house" may see demonstrations in the physical education department, a stringed instrument rehearsal in the music department, and a rehearsal of a one-act play by the Drama Club. There will be an open discussion of the Cooperative Education Program with its director, David Denison.

Throughout the day there will be programs by the various music groups of the school: Senior High Chorus and Band, Stage Band, and the Junior High Band and Chorus.

Parents and other visitors to the school during the day are invited to enjoy an oven fried chicken dinner from 10:45 to 1 p. m.

The district's sixth graders from Crescent Park, and the Andover and Woodstock Schools will visit Telstar during the day.

Assisting the Telstar faculty and administration in the "open house" will be the Senior High and Junior High Student Councils.

CHURCHES TO COLLECT CLOTHES FOR OVERSEAS DISTRIBUTION

Churches in Rumford, Mexico, Dixfield, Andover, Locke Mills and Bethel will collect clothing and used blankets for distribution overseas through the Church World Service Clothing Appeal during the first week in November. The drive is sponsored by The Greater Rumford Ministers and Priests Association. Summer clothing is especially needed. Additional information may be secured by telephoning 364-3007.

HEALTH & SERVICE COUNCIL MET AT TELSTAR OCT. 12

A regular meeting of the Bethel Health and Service Council held at Telstar Regional High School, Thursday, Oct. 12, was preceded by a team report of the group who attended the Drug Training Center at Yale University. Thomas Caton presented an oral summary on the team's experience during their two week seminar. Richard McCann, John Applin and the two youth members, Jeannine Wilson and Susan Bryant, added their own views on the program. Two other members of the team, Dana Morgan and Jeri Tate, were unable to be present. A discussion and question and answer period that followed was informative to all present.

The Council believes that the information and experiences that the members of the Bethel team felt to be of particular interest to our situation should be heard by all in the area. It is hoped that organizations, church groups and youth groups in Bethel and surrounding towns will contact some member of the team for presentation of their report.

The closing paragraphs of their written report read as follows: Team Goals: The goal selected by the team at the training sessions was the establishment of an area drop-in center for community members of all ages in M. S. A. D. 44. This particular goal was selected in view of the widespread drug abuse problem (including alcohol) in the area.

It was our hope that with such a facility, we might offer alternatives to self-destructive behavior. Included among these alternatives could be recreational activities, arts and crafts, educational opportunities, a "Rap Center", counseling, a coffee house, varieties of entertainment and other community oriented activities.

During the business meeting that followed, Nancy Palmer of Bryant Pond reported on the good response at the Clothing Barn. Baby clothes and winter clothing, including jackets, trousers, stockings and underwear are badly needed. Anyone having donations for the Barn should contact Mrs. Palmer or a member of the council. Someone will arrange to pick them up.

Frances Gunther reported on the Pre-School Immunization Clinic held June 7: 35 children attended, 3 infants and 32 pre-school children. It is hoped that three Child Health Care Clinics and one Pre-School Immunization Clinic will be held in the area.

POST OFFICE/BANKS/S. A. D. 44 SCHOOLS TO BE CLOSED OCT. 23

In observance of Veterans' Day, the Bethel Post Office will be closed Monday, Oct. 23, with no receipt or dispatch of mail. Also closed for the holiday will be all S. A. D. 44 schools, Bethel Savings Bank and Casco Bank and Trust Company.

TELSTAR ALONE IN M. V. C. SUNBIRTH—DEFEAT JAY, 19-14

Telstar's Rebels came from behind with touchdowns in the third and fourth periods to edge host Jay High School, 19-14, last Saturday and take sole possession of first place in the Mountain Valley Conference.

The two teams entered the game tied for the MVC sunspot with perfect 5-0 records. Telstar has yet to tangle with Winthrop and Mexico, two of the tougher elevens in the conference, both lost tight games to Jay.

Telstar jumped in front 6-0 in the first period, when quarterback Peter Blake rolled out and hit end Richard Wing for a 12 yard touchdown to cap a 70 yard march. The place-kick for the extra point failed.

Jay's defense put the host Tigers in front in the second stanza when it crashed through to block a Telstar punt at the Telstar 30. Jay defensive end Greg Nemi picked up the loose ball and raced to paydirt to pave the way for Neil Labbe's go-ahead two point conversion toss to Mark DeMillo.

But, Telstar went back out front to stay in the third period when it launched a 70 yard drive. Blake sneaking the final three. The march was keyed by the running of hard-battling halfbacks Paul Farrar and Doug Brooks.

In the final period, Telstar went in front 19-14, when Farrar wanted three yards off tackle to put the lid on a 40 yard surge.

Jay moved within strike range near the end of the game when Labbe passed the Tigers 75 yards upfield connecting with DeMillo. Randy Fourn and Mark Letourneau until finding DeMillo in the end zone for a 10 yard strike.

Alan Seamus and Tim Rosenberg led the rugged Telstar defensive corps.

Telstar is host to Lisbon High in a 1:30 contest Saturday afternoon.

Levi Brown went two yards for a tackle slant early in the first period, and Glen Olson place-kicked an extra point to start the scoring.

Before the quarter ended, Wing punted twice off the right side for 11 and 19 yards. Olson making good more conversion, to run it to 20 at the quarter's end.
